

## Notes from Mockup Review

- Overall looks great and definitely starts to capture what my vision was!

Preference: Microsite B

- Think there should be multiple sub pages
  - Home
  - History
  - Needlepoint 101
  - Recommendations

Include a navigation bar at the top and make the content of each page/section more clear

- Take what you have at the bottom and mimic with something similar at the top!
- Have the title of the site be more prominent (accent color, fun font, etc)

Include more reference photos

- Applications in real life
